**Berlitz Guides : Switzerland: Pocket Guide (Berlitz Pocket Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Switzerland: Pocket Guide (Berlitz Pocket Guides):

0 of 0 people found the following review helpful. Five Stars By Ernie Small enough to carry with lots of information-Great! 0 of 0 people found the following review helpful. To Abbreviated to be Usefull By Daniel Helmhold Although the aim of a pocket guide must be conciseness, I found this guide just too small to be useful. The snippets of information on each town provide little guidance when you are actually traveling and I would highly recommend going with the full sized guide.

Packed with stunning photographs and easy-to-use maps, this handy guide contains all the information you really need

to know to get the most from your visit to Switzerland. Discover natural beauty in deep blue lakes, snowy peaks and wildflower-covered hillsides. Enjoy fabulous ski resorts from the heights of Zermatt to the glamour of St. Moritz to the year-round allure of Gstaad. Visit vibrant cities like the banking capital Zurich, the political capital Bern and the diplomatic center Geneva. Embark on a variety of activities such as world-class skiing in both summer and winter, hiking in the Alpine foothills, mountain trekking, and climbing. You'll also find a guide to fashionable stores, the best Swiss cuisine, music and folk festivals, and language and culture tips.
