BIG tartan map By Heaven on the Hill This is a BIG, beautiful map, We have not displayed it yet, but will frame it and have it on an easel at our clan tent during our Scottish Festivals. It features more tartans than our current display. 0 of 0 people found the following review helpful. Excellent Map. By Lady Darlene Absolutely beautifully done. Would recommend this provider again.

This beautifully illustrated map is both decorative and informative. It includes 247 tartans with clan/family names, alphabetically arranged for easy look-up, from Abercromby to Young; territories map of principal clans at the beginning of the 17th century; historical background to clans and tartans; and internet links for more information.
