George Kennan : Tent life in Siberia,: A new account of an old undertaking; adventures among the Koraks and other tribes in Kamchatka and northern Asia, before purchasing it in order to gage whether or not it would be worth my time, and all praised Tent life in Siberia,: A new account of an old undertaking; adventures among the Koraks and other tribes in Kamchatka and northern Asia,:

This is a personal narrative of life in Siberia and Kamchatka in the 1860s. In includes more that 15,000 words of new material not included in the first edition published in 1870. Of particular interest (described for the first time) are the incidents and adventures of a 5,000 mile winter journey by sleigh from the Okhotsk Sea to the Volga River.
