Terence Conran : Terence Conran on London before purchasing it in order to gage whether or not it would be worth my time, and all praised Terence Conran on London:

Terence Conran on London is a visual guide to the excitement and diversity of London life, seen through the eyes of one of the world's foremost designers, retailers and restaurateurs. He paints a fascinating portrait of London, its architecture and interiors, as well as the worlds of transport, work, shopping, eating, street life and culture. Stunning photographs encompass the diverse aspects of the capital - ethnic and indigenous; ancient and modern; public and private. In addition, specially photographed features show the many different facets and moods of London through a 24 hour period.
