0 of 0 people found the following review helpful. Very conciseBy HofbrauhausThis is a fold out guide and map of the city and indicates where the Tube locations are. This is great when trying to figure out which stop to get off. It's sturdy and pocket size.0 of 0 people found the following review helpful. SturdyBy flash33Good for Trip planning0 of 0 people found the following review helpful. Pretty Much As AdvertisedBy drunknlazyWas helpful in getting around. Underground spots were marked, but a few times they weren't necessarily obvious on the map. Check the route lines in the tube to be a little clearer, then check the map to see where the stops actually are geographically. The tube maps don't really let you know how far or close to your destination you might be, and in those instances this map was Very Helpful. Otherwise, nice compact size that fit in my pocket nicely. As with any compact map, sometimes the street names were a little difficult, but overall very nice laminated map.

[London, City of London, Notting Hill, Camdem] , tube full system It is laminated and durable will make you like a resident. detailed streets of downtown the map also includes a complete tube Map, Landmarks Museums, points of interest, and getting to and from the city s airports.
